Helping Educators Bring Curriculum to Life

The Need...

- Growing Technology Sector
- Skilled workers shortage
- Declining enrolments in STEM

Become part of the solution...

- Connect students, educators and employers
- Local technology leaders share their insights

www.bus-edpartnership.org

Science Superheroes

Goals For Teachers

- Provide information about STEM industry trends
- Connect curriculum to required STEM skill sets
- Encourage students to explore STEM career opportunities

Goals For Students

- Connect classroom learning to STEM related program/career opportunities

Goals For Business

- Increase enrolment in STEM related programs
- Increase skilled workers available to Tech sector

Goals For the Community

- Greater economic prosperity for all!
