

Title: Energy: The Way We Share on TVO's The Agenda with Steve Paikin

Date: Jun 09, 2011 07:00 PM

URL: <http://pirsa.org/11060101>

Abstract: As the worldâ€™s population inches toward the 8 billion mark, energy experts look at how supply and demand of energy will affect global economics and politics in a moderated discussion on TVOâ€™s The Agenda with Steve Paikin. Speakers include: Jason Blackstock, Jian hua Ding, Velma McColl, Vagish Sharma, and Jose Maria Valenzuela
