

Title: Energy: The Way We Move on TVO's The Agenda with Steve Paikin

Date: Jun 07, 2011 08:00 PM

URL: <http://pirsa.org/11060103>

Abstract: Trains, planes and automobiles – what are we doing to find new resources and modes of transportation? And will it lead us to rethink how we live? Energy experts participate in a moderated discussion presented live on TVO’s *The Agenda with Steve Paikin*. Speakers include: David Keith, Greg Naterer, Maria Skyllas-Kazacos, Aaron Leopold, and Jeff Casello
