

Title: Benchmark Session

Date: Sep 29, 2013 03:00 PM

URL: <http://pirsa.org/13090079>

Abstract: This multidisciplinary panel will draw from the themes explored in the Benchmark videos to explore the opportunities and challenges that lay ahead when we envision high school education in 2030. Do we reform, redesign or reinvent? What are the critical questions that we need to be asking?
